

Personal events

We enjoy celebrating birthdays, weddings and births.

Activities outside work

We also enjoy spending time together outside working hours and often go bowling or trampolining or dining out in town.

Team building

To strengthen our team spirit and togetherness, each team has a budget to plan its own team building events such as a visit to an escape room, a laser tag mission, go-cart racing and a lot more. We also take part in events such as the Aachen company run.

Training and seminars

Would you like to develop your skills and know-how? We offer a wide range of training and study possibilities to strengthen your abilities and prepare you for new challenges.

ModuleWorks

Get There Faster.

ModuleWorks develops CAD/CAM software components for controlling and simulating CNC machines and robots. With more than 70% of the market share and thanks to its innovative technology, ModuleWorks is the leading company in this sector. We are currently looking for...

- C++ software developers for customer projects
- Algorithmic developers
- MATSE apprentices

Your list of ModuleWorks goodies

Flexible working hours

We don't believe in rigid working times. With our attractive flexi-time model you determine your own working hours.

Home office

Benefit from the option to work at home. We offer flexible working times and locations. If you are interested, let us know.

Family friendly

We not only support your professional development, but also support you in other aspects of your life. For example, we offer flexible working times for fathers and mothers.

Kitchen

Our modern and attractive kitchen is the perfect place to enjoy a coffee or tea break. As well as a coffee machine and variety of teas, we offer a selection of healthy snacks. Many of us also use the kitchen to meet for lunch.

New ideas

We are always open for suggested improvements and innovative ideas. Even the smallest suggestions and ideas can have a big impact and bring a fresh impulse. That's why we've got a suggestion box where you can post your ideas.

Canteen

Our canteen offers hot meals every day. Every employee receives a number of coupons per month that you can use to eat for free in the canteen. You can also purchase extra coupons at a discounted rate.

Celebrations

We enjoy celebrating together in a relaxed and informal atmosphere, either at our Summer Jam or our Christmas brunch.

Recreation room

Need a break? In our recreation room you can challenge your colleagues to a game of table tennis, pool, kicker or chess. If you need a workout, you can try out our dumbbells, pull-up bar or punchbag.

Flexible holidays

We offer 24 holidays per year. You also have the option to exchange overtime hours for extra holidays and to purchase up to 6 more days from your salary.

Health benefits

Our employees benefit from a variety of activities and measures for staying fit and healthy. Train your back muscles together with your colleagues on our regular fitness course. On our health-and-fitness day you have the chance to take part in different consultations such as, for example, spine screening.

Appraisal interviews (twice per year)

We want you to feel good and satisfied at work. We support you with training and education. If something is on your mind, you don't need to wait until your next appraisal interview. Feel free to approach us at any time. You can also visit our appointed Social Contact person to discuss any issues.
