

ModuleWorks

Get There Faster.

Your career at ModuleWorks

ModuleWorks develops software components for the CAD/CAM industry that are used to control and simulate CNC machines and robots. With over 170 employees and more than 70% of the global market share, ModuleWorks is the leading company in this sector. To strengthen our team, we are looking for a

Junior Account Manager (f/m/d)

The Position

We are looking for a Junior Account Manager to work in our Customer Division. You follow the latest technological developments in international markets and are interested in new technology and Industry 4.0? As part of our team, you will help us expand our markets and have the chance to work on new, exciting projects.

Your Profile

- Degree or equivalent vocational qualification in industrial engineering and management or business administration
- You quickly grasp technological and business concepts
- Ideally, you have a good understanding of the concepts and principles of sales, software development and/or mechanical engineering
- Fluent in English and German

What you can expect from us

At ModuleWorks you will find a friendly working atmosphere in an international and young team. We do not believe in strict structures and rigid ways of thinking, but instead offer diverse tasks and encourage flexible development that goes beyond flexible working hours and home office. Interested? Then get in touch with us! We look forward to your application.

Only complete applications will be accepted for the application process.
