

ModuleWorks

Get There Faster.

Your career at ModuleWorks

ModuleWorks develops software components for the CAD/CAM industry that are used to control and simulate CNC machines and robots. With over 200 employees and more than 70% of the global market share, ModuleWorks is the leading company in this sector. To strengthen our team, we are looking for a

Student „Graphics“ (f/m/d)

Your profile

- You are studying Communication Design or a similar subject
- You have good knowledge of InDesign, Photoshop, Illustrator and Acrobat
- MS Word and PowerPoint are second nature to you
- Experience of using Rhino, Camtasia and/or After Effects would be an advantage
- Good English and German skills
- You enjoy giving your creativity a free rein
- You work in a structured, self-motivated way and enjoy being part of a team

Your tasks

- Use your creative skills to generate new ideas and to design and develop communication media (online and print) using our corporate design
- Design and implement digital media for our Marketing Department (e.g. social media posts, newsletters, press releases)
- Create icons and graphics for our user interface
- Edit and provide finishing touches to images for online and printed media

We offer

You will be working in a friendly environment as a member of a young and dynamic team. At ModuleWorks you won't find rigid structures or deep-rooted ways of thinking, but instead diverse tasks and an enthusiasm for flexible development. And our agility goes beyond flexible working hours. Curious? Get in touch with us.

Please check your application thoroughly for completeness. Only complete applications will be considered for the application process. We are looking forward to receiving your application (preferably by email).
