# CoroPlus<sup>®</sup> Tool Library

**CoroPlus® Tool Library** seamlessly fuels  
manufacturers & machining planning  
processes with rich & verified digital tool  
assembly data

# What is CoroPlus® Tool Library?

- Create, store, manage & get insights
- Automate manufacturing processes
- Supports seamless workflows

# Benefits of CoroPlus® Tool Library

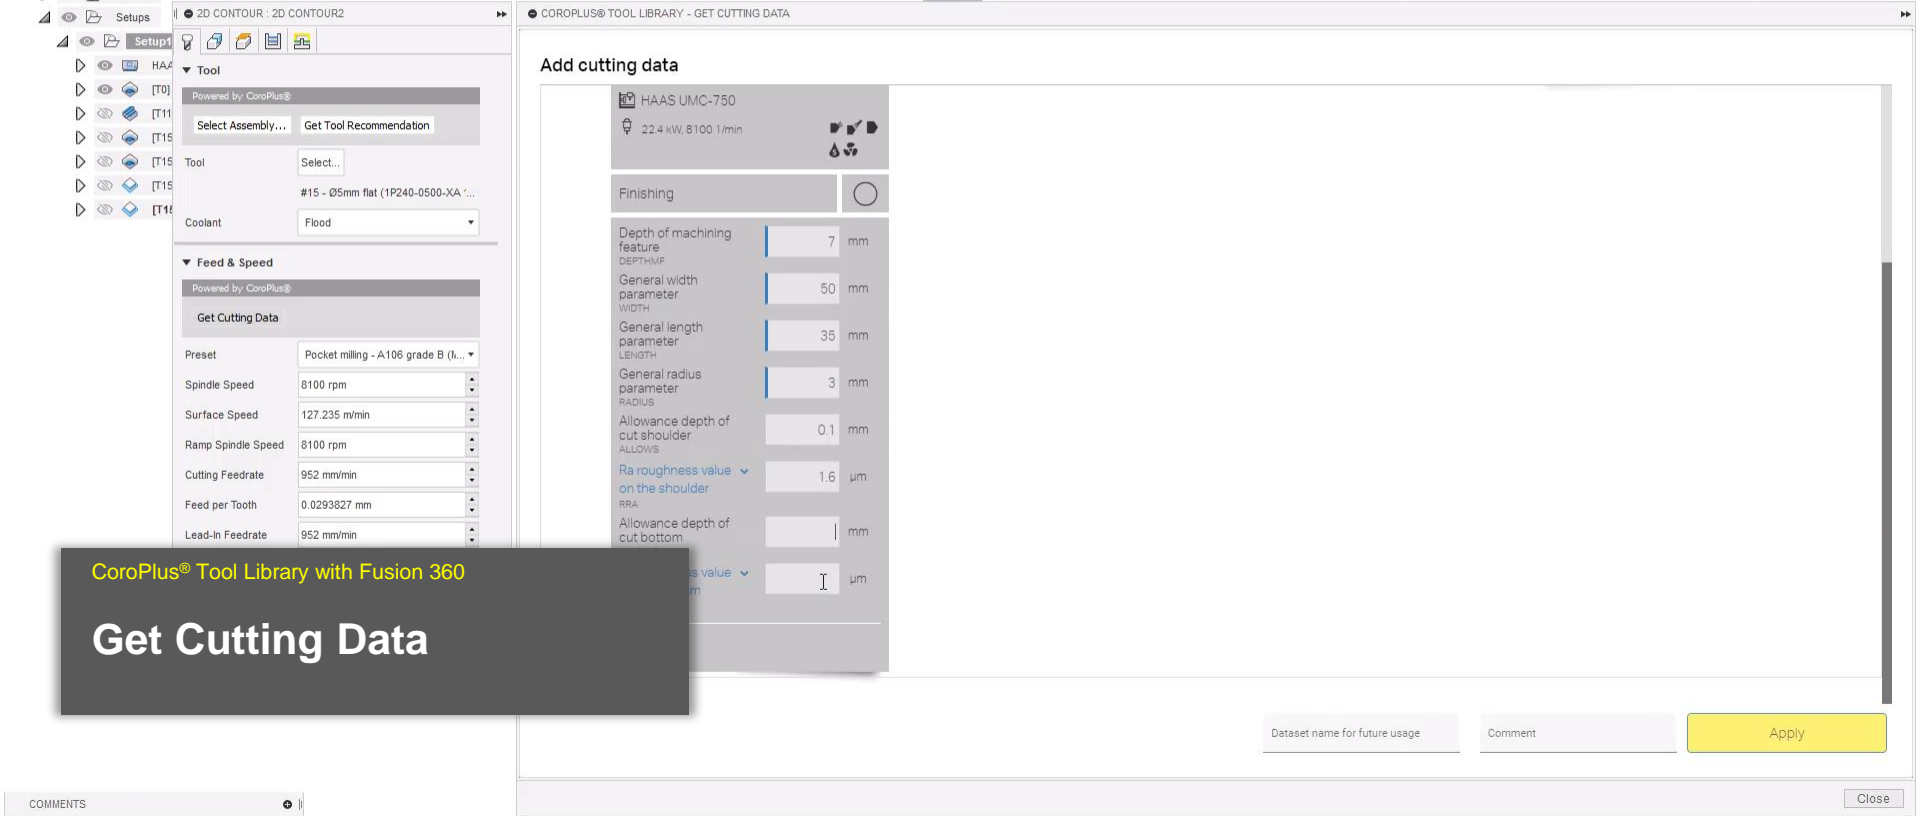

- ✓ Increase efficiency, accuracy & utilization in planning
- ✓ Get tool recommendations & data from multiple suppliers
- ✓ Seamless workflow with CAM integrations
- ✓ Minimizing programming errors
- ✓ Reduces set-up times
- ✓ Share data with other CoroPlus® & services
